Prayer for the beatification

Lord Jesus Christ,
You called your servant Romano Guardini to be a great teacher and educator of the young, helping them to be Christians.
You gave him wisdom and the gift of revealing your truth to many people.
You kept him on the path of truth in difficult times, so that he became an example for many and a light of resistance to tyranny.
You helped him in his struggle with depression and other afflictions.
You gave him the gift of loyal friendship.
With those without faith and believers alike, you blessed his work as priest, preacher and writer.

We ask you, Lord,
that we may venerate him,
so that people in today's world may recognize the holiness of your Church,
so that young people may love you,
so that those in pain of body or mind may find comfort in his example,
so that God's holiness may be seen anew.

Glory be to the Father, and to the Son, and to the Holy Spirit, now and for ever. Amen.
